7 September 1949

1. The DOEBERITZ (N 53/Z 65) airfield was occupied by a newly arrived air unit. Forty-two aircraft were counted in front of the closed hangars. An estimated 60 to 70 aircraft were parked at the field. Description: Two-seat craft, a machine gun set at rear section of cockpit, in-line engine, landing gear retractable rearward, fixed tail wheel, antenna rod on top of cockpit and on fuselage forward of rudder assembly.
2. There was flying with 11 aircraft and some biplanes throughout the morning. Tactical symbols were not observed.

Comment:

Report confirms that the DOMBRIK airfield was occupied  
by a ground attack unit +. From the presence of 60 to 70  
IL-10s it is concluded that two ground attack regiments  
are stationed there.
